CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI
ORAL ORDER

5 09-07-2012 Having heard counsel for the petitioner the Court intentionally holds itself back from expressing any opinion on the so-called controversy or failure of the State authorities to put up a milk collection centre. It is left to the petitioner to make an assessment of the ground reality which exists now and necessity of setting up such milk collection centre which was required to be set up at the point of time and then approach the concerned authorities saddled with the responsibility for its execution.

If the petitioner moves the authorities, an early decision on this issue shall be required to be taken which will be in the interest of not only the members of the cooperative society but an effort of the government to motivate better milk production and collection to encourage the people in the State of Bihar.

Writ is disposed of with above observation.
